2. The IDS filed 11/10/05 and 4/04/06 have been reviewed and entered.
3. The drawings filed 4/04/06 have been reviewed and accepted.

Examiner's Amendment

5. An Examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to Applicants', an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this Examiner's amendment was given in a telephone interview by Mr. Rick Bauer and Mr. Mark Greenstein on June 24, 2006.

Claims 82-87 were cancelled.

Allowable Subject Matter

6. Claims 63-70 and 72-81 are allowed for the reasons stated herein below.
7. The prior art of record (EPO 0572281 A1) Frenkel et al discloses advising an investor of recommended types of investments (allocation of financial assets). Bove et al (US 2005/0154658 A1) discloses investment planning for a client (asset allocation). "First, Asset Allocation. Now, "Asset Placement" disclosed diversifying your investments for retirement.

Even though, the prior art of record discloses asset allocation, portfolio planning, and investment planning, the prior art does not disclose discretionary investment allocation decisions being implemented or developed or maintained by an Independent person and the automatic implementing of discretionary investment allocation decisions for the elimination or ameliorating a possible economic conflict of interest by the separation or combining of the determination of how much to save and how to allocate the investment assets from the other generating functions. For these reasons claim 63 is deemed to be allowable over the prior art of record, and claims 64-70 and 72-81 are allowed by dependency.

8. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
